IS | INTERNATIONAL SYMPOSIA

TOKYO JAPAN

27 - 29 October, 2021

2021 TOKYO INTERNATIONAL SYMPOSIUM STEM CELLS: FROM BASIC SCIENCE TO CLINICAL TRANSLATION.

The International Society for Stem Cell Research (ISSCR) and the Japanese Society for Regenerative Medicine (JSRM) look forward to holding the International Symposium, "Stem Cells: From Basic Science to Clinical Translation" in Tokyo, Japan. This exciting meeting will explore topics from stem cells in development to novel technologies in stem cell research and stem cell therapies. The meeting will also explore the ethical issues of stem cell biology and therapies through talks and a panel discussion. We hope you will join us!

PROGRAM HIGHLIGHTS
